

Good Morning Parents and Guardians,

As we come near to our last day of school, I want to share my appreciation to all our parents and guardians for their amazing resolve during this difficult year. Our teachers and school staff have done such an amazing job, with tremendous care, as they navigated uncharted waters. Everyone put their children first, as we did all we could to make the best out of the difficult challenges this year and last part of last year. The good news is we made it!!!! Its unbelievable that Wednesday is our last day of school. I heard from many children that they wish school was over so soon because they were so happy to see all their friends and be with their teachers and learn. I was so excited to hear this. As we approach next Wednesday, June 16th I want to make a few announcements:

1) 5th Grade Promotion is June 15th - 11am at Fair Ave Auditorium (Negative Test or Vaccination Card Required)

2) 8th Grade Graduation is June 15th - 4pm at Fair Ave Auditorium ((Negative Test or Vaccination Card Required)

Register and come take your COVID test at Lankershim on Monday, June 14th or visit any clinic and bring test results.

3) June 16th - Last Day is Minimum Day - 1:30pm release  
Free-Dress Day

4) All students need to bring Chromobooks and any other device back to school next week. Students doing distant learning must bring Chromebooks June 16th-18th
