School Accountability Report Card

Reported Using Data from the 2019–2020 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About Our School

I am thrilled to serve as the Executive Director/Principal of New Horizons Charter Academy. New Horizons Charter Academy celebrated several accomplishments last year (thanks to you), and we are geared up to keep the momentum going as we create new memories, reach for new goals, and accomplish new challenges. Students have access to a rigorous curriculum with highly qualified and professional teachers and staff. NHCA has earned a reputation of academic excellence through the hard work of our students, teachers, parents, and staff. NHCA supports a wide array of exemplary academic and social opportunities for all students. NHCA offers a safe learning environment that promotes intellectual growth, health, creativity, and respect for self and others. We are proud of the accomplishments of our school and are excited to share our New Horizons Charter Academy Pride in the upcoming year. It is a privilege to lead this learning community during a time of incredible change and tremendous possibilities. Our challenge is to embrace the future of the 21st century, Common Core State Standards and assure that our students are properly prepared to become leaders in this exciting new world. In order to accomplish this monumental task we must provide the following: a high level of personalization in every aspect of a students' K-8 experience, a proud recognition for individual and group accomplishments as well as for diligence and hard work, and, an unwavering commitment to the development of character and civic responsibility in our young people. To our students, I ask that you reflect on your goals and strive not only to pursue personal excellence but also to demonstrate your perseverance and integrity. Know that all staff is here to support and encourage you as you explore different possibilities and grow as learners. Remember that with these opportunities, comes both a personal and collective responsibility to be supportive of one another. I will count on you to go beyond tolerance and treat all members of our community with respect. A school that aspires to greatness can expect no less. Our staff at NHCA encourages our students to continue the road to excellence by challenging themselves as students to acquire and re ne three key characteristics that I believe are essential for success at school, in your future career, and in life: self-advocacy, the ability to connect social justice with student aspirations, and selflessness. When students advocate for themselves, they learn how to participate in their own lives by sharing ideas, joining clubs, pushing each other to reach your goals. Follow your dreams and face your fears. One of the mechanisms for success is the ability to develop resiliency. It is an essential skill because, let's face it, life is not always fair. You may not always earn the grade you desire, and you may not always earn a spot on a team, win an election, or control others' decisions. Muhammad Ali said, "I never thought of losing, but now that it's happened, the only thing is to do it right. That's my obligation to all the people who believe in me. We all have to take defeats in life."

You have more potential for success if we work as a team, look out for each other, help each other (even those we do not know), and act for the good of the whole. This may mean someone else may be called on, chosen, or up to bat; however, when it is for the good of the whole, we all win! To all parents, your role is vital. I encourage you to stay involved in your child's education by joining the NHCA Parents-In-Action (PIA) or other parent groups of interest. By working together and remaining involved, parents send a clear message about the importance of their child's education.

About Our School
Please support your NHCA students by giving guidance on how to be a self-advocate, resilient and remind your student to do what is best for all. We encourage students to begin with the end in mind. Please remember the importance of discipline, commitment, and sacrifice, as components of success. If these components are practiced regularly, students will find themselves at the promotion from one grade to the next, ending one chapter of life's journey, and beginning a new one. You are capable! Work hard, follow your dreams, create positive memories and be an active learner. I am extremely proud of our dedicated, experienced staff. As demands and complexities of teaching children increase, it becomes more evident that we all need to work together to insure that our children reach their potential. I believe that all of us - the school and the community - must work together in an extended family environment to insure

success for all our students. I believe it is everyone's responsibility to empower children with the creative, intellectual, and decision-making skills necessary for them to become academically, socially, physically, and emotionally successful and responsible. With that in mind, you are invited to be an active participant at New Horizons Charter Academy. All parents are encouraged to be involved! Research on schools clearly demonstrates that parent participation in their child's school coincides with a greater likelihood of academic success for their child.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Site Safety Plan was developed for New Horizons Charter Academy in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most current safety plan was reviewed and updated to address the safety plan components and individual responsibilities during the 2020-21 school year. The New Horizons Charter Academy Board of Directors reviews the safety plans annually by March 1. The plan was most recently updated and reviewed in July 2020.
