SARC Report - Our School Accountability Report Card data is based on the previous school year, 2020-2021. New Horizons Charter Academy was closed to in-person instruction from March 2020 to March 2021 due to the COVID pandemic lockdown, therefore, there was no data for ELA and Math *CAASSP* exam because it was not administered. NHCA are 100% compliant with our entire staff of teachers, maintain a 95% attendance rate and have 0 suspensions to report, which is a phenomenal record for two schools.

Dr. Duran – Do we make any mention of chronic absenteeism? Is that something we could add to the summary?

Mr. Thomas – There is a format to this document and while there is a great deal of information shared, we really are only expected to share our attendance process and procedures, nothing more.

COVID-19 Employee Vaccination Policy – New Horizons Charter Academy has consulted with its HR Legal team at Young, Minney and Corr and with CharterSafe, to develop a comprehensive COVID19 Vaccination Policy. This policy is also in alignment with LAUSD, due to our co-location usage. All employees must have all vaccinations in place by February 1st, 2022. All employees at NHCA are currently vaccinated.
