

Good Afternoon Parents and Guardians of New Horizons Charter Academy,

The school has fully implemented the Hybrid Model on both campuses of Lankershim and Fair Ave successfully. NHCA is excited about all the students who have returned and understand the choices of those who have remained in distant learning. As of Monday, April 26th, we have solidified the students who have chosen to attend in-person on both campuses. NHCA has determined that for some classes, see below, have 18 or less students attending in-person class between Cohort 1 and Cohort 2. NHCA received confirmation from LA County Public Health that the T1 Protocols for Reopening has been updated on Thursday, April 29th to allow for up to 30 students in a classroom as long as the social distancing of 3 Feet per student is maintained. All NHCA classrooms can accommodate 21 students per classroom with this social distant criteria. The majority of classrooms below have 14 students or less when the two Cohorts are combined.

NHCA will discuss at the Parent Forum on Friday at 6pm and Saturday at 11am via Zoom Meeting the possibility of combining Cohort 1 and Cohort 2 into one group of 18 or less students who will attend school from Monday through Thursday. There would be no split days, just 4 days of school at the same time. Fridays will continue the same way they are now. Please see the classes below which NHCA would combine the two Cohorts. This only applies to the students/parents who have committed to in-person instruction as of Friday, April 23rd last week. Please see Zoom Link below for our Parent Forum discussion.
