

Good Evening Parents and Guardians of New Horizons Charter Academy,

New Horizons Charter Academy held teacher and parent forums to discuss and review the combining of Cohort 1 (Monday/Wednesday) and Cohort 2 (Tuesday/Thursday) for in-person instruction into one Cohort of Monday through Thursday for all grades. After hearing all the comments, NHCA had support from all groups to combine these two cohorts into one. As mentioned in the message last week and during the forum, the plan to begin the combining of Cohorts is May 10th, 2021.

New Horizons Charter Academy will combine both cohorts starting May 10th for all grades for students who have been attending in-person instruction. Please plan on starting at the same times as we did the past. If you have any questions, please let us know. Thank you.

Mr. Thomas  
Executive Director/Principal
